## RESIST

Steering Committee Meeting  
Hilda Hein's House in Newton  
12/17/72

--A discussion was held about the state of office finances. It was noted that declining income and rising office expenses had resulted in a smaller proportion of money being given out in grants. It was decided that at the next Steering Committee meeting we will talk about what should happen in Resist - in terms of finances, staff, fundraising, political programs, how to relate to organizing projects, etc.

--A meeting of Boston people--ex-staff, area people, SC people--will be held on January 4 to talk about the office, and to try to get Boston people more involved in its doings.

### --The staff report -

Mass mailings going out now or in the past month--Pentagon Papers, Denise Levetov's poets, McGovern contributors, former Resist contributors;

Mass mailings planned for the next month or so--the second half of the Pentagon Papers list, War Resisters League list, swap with Medical Aid for Indochina. (If anybody knows of a list we should use, please tell us about it.)

Kevin Shafer is working in the office temporarily until Una returns from Ireland in mid-to-late January.
